Principal's Message

A yearbook is a priceless treasure which will last a lifetime. Between its covers is a record of friends, classmates, teachers, staff, and special moments which we can all cherish for many years to come. It binds us together in a very special way... forever!

Your yearbook committee is to be complimented for capturing the "spirit" of the 1996-97 school year and we acknowledge their dedication of time and hard work in producing your copy of the EDITH ROGERS ROYALS 1996-97 yearbook.

I have been impressed this year with the number of Edith Rogers students who have taken charge of their lives and have set meaningful goals for themselves in their education and behavior. I am also most delighted with the positive way they have learned to interact with their classmates, friends, staff and community.

The world around us is changing at an unprecedented rate and it is important that all Edith Rogers students understand that the world economy demands that they focus on excellence in life-long learning in order to be competitive in it. We all wish our grade nine students the very best as they leave the safety of their Edith Rogers home and venture out into their new high schools and into the world.

I wish to thank all students, staff and parents for welcoming me as the new principal of their Edith Rogers family and I hope I will measure up to the high expectations which you all have of me as I continue in this challenging position. May I take this opportunity to wish everyone the very best in the years to come.

Sincerely

L. Delainey

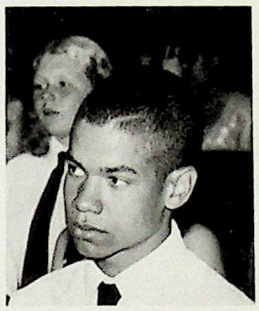
We had a Red Measles Alert at the school. A case of measles was confirmed in a student attending the school. Notes were sent home to all.

Mr. Pritchard, Math teacher at Edith Rogers retired this year.

To see many real neat students and staff members leaving:
Mr. Mandryk - Beacon Heights - Grade 4
Mr. Murphy - Parkdale - P.E.
Mr. Chemilnisky - Another challenge EPSB
Mrs. Conrad - Another challenge EPSB

We started off the year with a new IBM lab. Students were excited about it. Mr. Douglas and Mrs. Willette offered computer help every morning, some noon hours and after school.



Our staff produced our first computerized report card. We used the program classroom SIS. The report cards were now easier to read with a very clear format.
It was now even possible to include many things never as before.

Mrs. Kessel organised Random Acts of Kindness week. Everyone was involved in the activities, where notes, cards, and pictures were created. A giant collage was placed in the hall and another in the staff room.

As the Drama department shifted into gear, many students engaged in practices for a Christmas Lit, a play called here and now, a spring play called 12 Angry Jurors and many Theatre Sports activities.

The Cookbook Committee produced an Edith Rogers Cookbook which went on sale for $8.00. The recipes were compiled by students, staff and parents. The money raised went to fund various activities at the school Sales were excellent and copies are still available for those who want a taste of Edith Rogers.

A first annual silent auction was held at the school on Nov. 9 to raise funds for the Band and for the Cheerleading Teams.

Our chocolate bar campaign in the early fall helped to raise funds for the School Van, School Teams and the School Bands.

Our Concert and Jazz Bands won an invitation to participate in The Rocky Mountain Music Festival in Banff. They also won a Gold medal for the province of Alberta in the Festival of Bands. The grade seven Band won a Silver medal in the same festival. Twelve grade nine students were invited to play in the Edmonton Public Schools Junior High Honour Band at the Night of Music at the Jubilee.

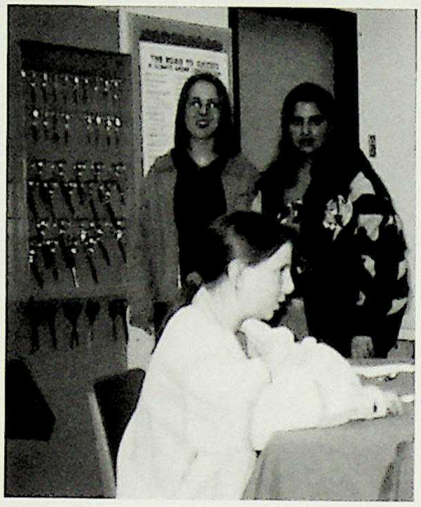
WELCOME TO E.R.



Grade Six Orientation and Open House

Our Open house attracted a great many parents and students. Displays from all departments were exquisite and demonstrations were well done.
First an assembly was held in the gym to educate prospective students on the programs of study at Edith Rogers School. After the assembly parents and students wandered the school scouting out their courses for the coming year. A selection of brochures, registration forms and handouts were available for all.

Track And Field

Our School meet was held in May. It was a great success with many of our students going on to the City finals. The Local meet was cancelled due to rain. The Zone and City meets were held in the last part of June.

· CITY TRACK AND FIELD CHAMPIONSHIPS

The following athletes competed in the 1997 City Track and Field Finals:

CITY TRACK & FIELD RESULTS

Junior Boys

Darrel Richardson	400 Meter 3rd (Bronze)
Corey Stone	200 Meter 3d (Bronze)

Interrnediate

Jeff Lewis	1500 Meter 3rd (Silver)
Nou Soundara	Shot Putt 4th

Senior

Jennifer Biliske	200 Meter 2nd (Silver)
Isaac Clark	Shot Putt 3rd (Bronze)
Aaron Roche	400 Meter 2nd (Silver)
Archie Papastesis	1500 Meter 2nd (Silver)

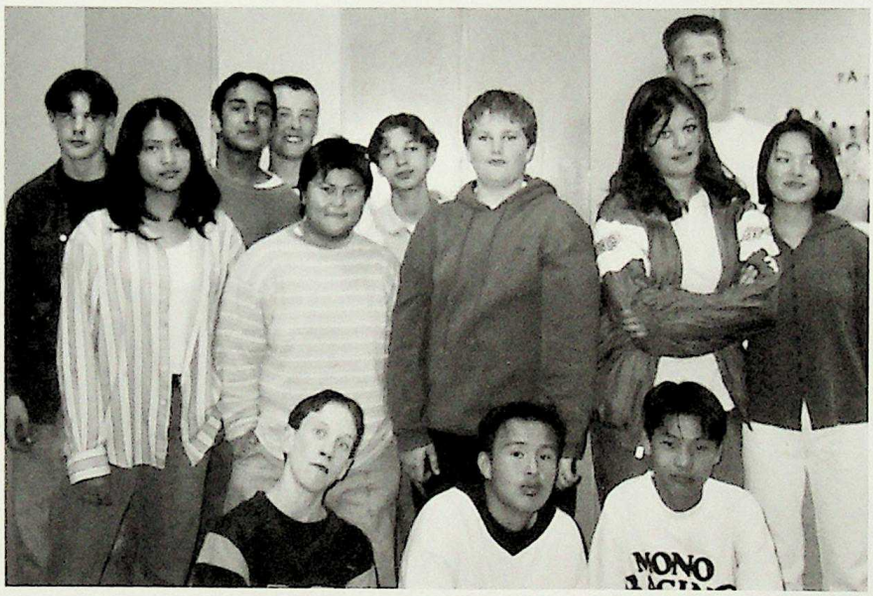
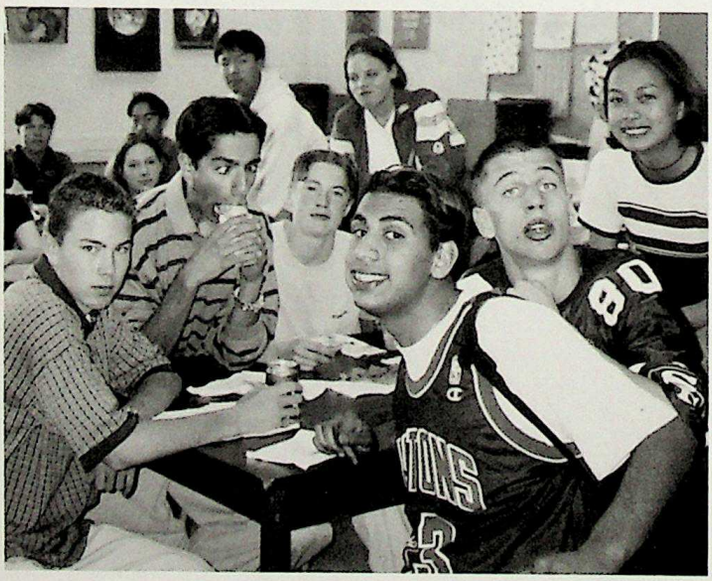
Intramurals

Our Intramural program was organised with the help of Mrs. S. Smyth, 3 days a week at noon hours. It consisted of:

Volleyball
3-on-3 Basketball
Doubles Badminton

There was an enormous amount of participation from the students. Physical Education Leadership students helped to referee the games.





From the Speech of Mr. P. Jonkman: Awards Ceremony - June 26/97

Mr. Pritchard is retiring tomorrow and he has demonstrated what a successful teacher needs:

The education of a college president,
The executive ability of a financier,
The humility of a deacon,
The adaptability of a chameleon,
The hope of an optimist,
The courage of a hero,
The wisdom of a serpent,
The gentleness of a dove,
The patience of Job,
The grace of God, and
The persistence of the devil.

On behalf of the school, I would like to thank him for his contributions to our school:

(a) Dedication
(b) Care for students
(c) Excellence in teaching
(d) Care for fellow staff members
(e) Endless hours of Math contests - The Barry Pritchard Award
(f) Leadership in math
(g) A sense of humour

It is our pleasure and an honour to congratulate and thank him, for his outstanding service to education and our profession for the last 33 years. It is my hope and prayer that he will enjoy many years of retirement in good health and happiness.

Farewell

Happy Retirement

Honours Trips

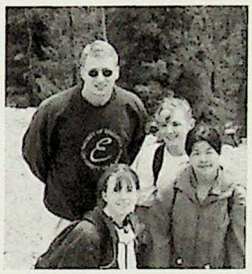
At Edith Rogers School students who achieve an 80% or higher grade average for the year are rewarded with a two day trip full of excitement.

This Year the trips were made by bus to and from all destinations. Three staff members went with each grade.

Grade Seven
Mr. Goulden
Mr. Purschke
Mrs. Ashton

Grade Eight
Mr. Delainey
Ms. Vandine
Mrs. B. Smith

Grade Nine
Mr. Buchanan
Mrs. Oswin
Mrs. Bell



The grade sevens went to Calgary but made a trip to the Tyrell Museum to look at the Dinosaur exhibits. The Grade eights enjoyed the majestic scenery of Jasper. The Grade nines took in some Hot Spring splashes in Banff. All round the trips were a roaring success and everyone can't wait to go next year.

VALEDICTORIAN SPEECH **1997**

When I look into this audience, I see so much. I see glowing parents, so proud. I see friends and family, graciously giving their support. I see teachers looking relieved but sad. So glad that they moulded great kids, but sad that they have to let them go. But most importantly, I see young adults. Sitting before me are 180 new adults. A very different picture than that of the frightened grade 7's who passed through the front doors of Edith Rogers three years ago; frightened of those lockers that would not open, scared of the huge grade 9's, worried about losing our way. We were so small.

But now, if you look around you, we are not so small, not so immature or naive.

That is because of certain people acting in our lives; certain people like parents, taking care of us and helping us to keep going; friends who would keep us standing and cheer us up; teachers who would constantly help us and teach us to prepare for the road ahead.

I thank our parents, our friends and our teachers, for doing such a good job.

In three years, it will be the year 2000. Those of us saying "goodbye" to Edith Rogers tonight will be graduating from high school on the dawn of a new millennium. Not only is this a challenge and an honour, it is something that we must prepare for. Facing us now, are many tough issues: the depletion of our environment, crime, rising unemployment, poverty, war, personal loneliness and isolation among the youth and the aged; all substantial problems with no easy answer.

As we get ready to face these challenges, I would like to offer some advice to all of the graduates, for we are from Edith Rogers, and we can do anything.

DARE TO DO THE IMPOSSIBLE
THINK THE UNTHINKABLE
GO WHERE NO ONE HAS GONE BEFORE
BELIEVE IN YOURSELF

For we are prepared, we are ready, we are the youth of the next millennium.

Good luck to you all and Goodbye.
Kristie Papsdorf
